For people who want to give Junior High School education another go

Asunaro Junior High School is for...

- People who did not graduate from elementary or junior high school
- People who graduated from junior high school but did not receive a proper education due to absence
- Foreign nationals who want to go through the Japanese compulsory education system

4 hours per day
Monday to Friday

Earn your Middle School Diploma

I'm happy to be able to learn in a great environment for learning.

Students study 9 JHS subjects (All 9 must be taken)

Tuition: free
Textbooks: provided
(Some materials may incur fees)

I've gained more knowledge and skills.

Please complete the questionnaire on the back of this page. This survey is being conducted throughout Ishikawa by the Prefectural Board of Education to provide more opportunities for education to those who need it.
